ATTESTATION LETTER FOR MR. ARIMIYAO MOHAMMED

Mr. Arimiyao Mohammed, was a student of the Islamic University College, Ghana (IUCG) between the years 2014 and 2018 in the Faculty of Communication Studies and specialized in Public Relations.

Throughout his Four (4) years stay at IUCG, I had the privilege of interacting with Mr. Arimiyao Mohammed on a variety of platforms. At all times during his days at IUCG, he conducted himself diligently abiding by regulations of the University. He is very affable, has a pleasant disposition, and relates freely with all manner of people among senior and junior members of the Islamic University College. From the religious and moral perspectives, Mr. Arimiyao Mohammed has proven himself a very dedicated religious person and spiritually inclined individual who is also laden with high moral values.

Mr. Arimiyao Mohammed was an above average student whose attendance at lectures and tutorial sessions had been consistent and punctual. In addition, he made time to attend group discussions and was a regular visitor to the library.

The rigorous training he has undergone in IUCG has prepared him adequately for any job opportunity and especially to pursue further studies in his chosen field. I have no doubt in my mind that Mr. Arimiyao Mohammed is capable of embarking on further studies in any institution of higher education in Ghana and abroad. I therefore recommend him without reservation, for admission to any institution of higher learning.

Thank you

Yours faithfully

Mohammed Mujib
